Subject: SCE&G withdrawal from the VC Summer units 2 and 3 construction

Dear Commissioner Whitfield;

I was appalled to read this afternoon in the State newspaper that the SC Public Service Commission was "blind sided" with withdrawal of SCE&G and Santee Cooper from the construction of the subject units.

As a resident of Fairfield County, SC I am of course concerned about this failed project, and it seems to me improper that SCE&G Santee Cooper can walk away unscathed and have their costs reimbursed to them.

To my mind a prudency review of the total project is necessary by the SC Public Service Commission.

I recall after the construction of the Georgia Power Co. Plant Vogtle units 1 and 2, that the Georgia Public Service Commission disallowed more than \$800 million from be recoverable from the electric rate base by Georgia Power.

Sincerely;

Stephen D. Howell
